Church Affirmation

I confess that I am blessed of the Lord. Today I have heard the Word of God and received it, because I am good soil, and I shall bring forth much fruit. I cheerfully give a tithe of my income unto the Lord, Because I am liberal, I am blessed. I love the people of God, and I freely forgive those who have offended me. I have mountain moving faith. I am the head and not the tail, I am an overcomer. I do not fear because Christ tells me not to fear. I have hope, I have faith, I have love. I am victorious in every situation because God is with me. His Word is my sword and I wield it skillfully against the enemy and I walk in the Spirit and not in the flesh. I am a winner.

I am a member of Cornerstone Church.
